Fair Trade @ St Mary's Church

Please support our Fairtrade stall available after this Sunday's service. St Mary's is officially a Fairtrade church, and we've just twinned the church's toilet with a fourth toilet in Nepal, using the small profit we make when people say, "Keep the change."

ECO TIPS: Let's Keep Warm

Tackle climate change and reduce your heating bills by finding and reducing the draughts in your home. Find the gaps that let cold air in and warm air out e.g. keyholes, letterboxes and gaps around windows, doors, loft hatches and floorboards. Do what you can to fix these gaps - there are lots of tutorials on how to do this online. It's also a good time to prepare for winter by putting radiator reflector foil or baking foil behind the radiator which will reflect heat back into your room.

Gift Aid - St Mary's and St Peter's

We are updating and revising our Gift Aid information. To this end we need everyone who is currently registered to complete a new Gift Aid form. Also, if you are a taxpayer and have not completed a form, please do so. This enables us to get tax relief on your donations. Please speak to Liz Bounton on 01730 816405 in the first instance. Forms will be available in church or if you would like these emailed, contact: lizanderic@hotmail.com

Healing Service
